

# PINNACLE SERIES

**BROWNING**  
PROSTEEL SAFES

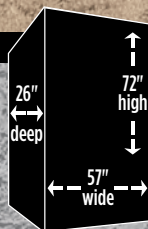

PINNACLE 41 Interior  
Color Shown: Charcoal Metallic

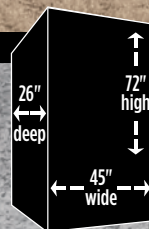

## PINNACLE SERIES

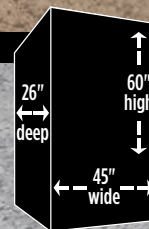

With unequalled security and fire protection features, the most versatile interior in the industry and refinement not found anywhere else, the Pinnacle is the finest gun safe available. These uncompromising safes are formed from a single sheet of thick  $\frac{3}{16}$ " steel for exceptional strength and rigidity. Axis Adjustable Shelving maximizes storage potential and the fragrant cedar and simulated leather interior provides a luxurious appearance.

# PRESTIGE SERIES

**BROWNING**  
PROSTEEL SAFES

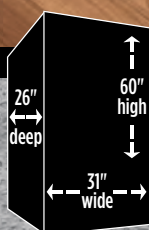

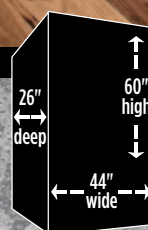

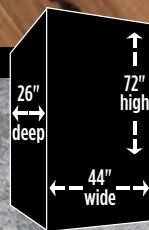

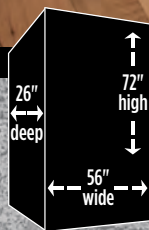

PRESTIGE 47 Interior  
Color Shown: Black Cherry

## PRESTIGE SERIES

Prestige safes protect your possessions from fire and theft while keeping an eye on style. The steel body is formed and continuously welded — not spot welded — for outstanding strength and a flawless appearance. Wide MAX Locking Bolts offer additional security and the smooth rolling Gear Drive Locking System provides bank vault-like feel.

# DELUXE SERIES

**BROWNING**  
PROSTEEL SAFES

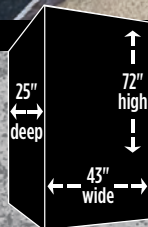

**DELUXE 26 Interior**  
Color Shown: Textured Charcoal

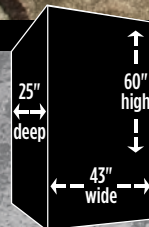

## DELUXE SERIES

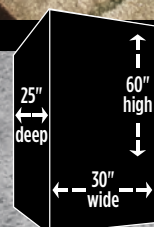

Feature-packed Deluxe safes offer class-leading security and fire protection at an excellent value. Pry-Stop MAX End Bolts and a reinforced door frame provide superior pry resistance. Uncompromising construction with a one-piece, continuously welded steel body adds increased protection and a high level of finish quality that rivals safes costing much more.

DELUXE 45	
Dimensions	72" x 43" x 25"
Cubic Feet	45
Weight	1,055 lbs.
Locking Bolts	10
Gun Capacity	43 Total (22/33 + 10)

Gun Capacity	29 Total (11/22 + 7)

# CLASSIC SERIES

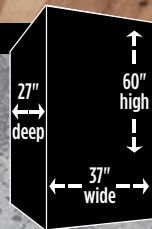

**BROWNING**  
PROSTEEL SAFES

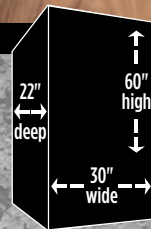

CLASSIC 24 Interior  
Color Shown: Gloss Black

## CLASSIC SERIES

Classic safes offer essential fire and security features, plus new Cantilevered Modular Shelving that will give you almost unlimited organization potential for guns and valuables. Oversized MAX Locking Bolts and End Bolts resist pry attack better than round bolts. The beautiful exterior finish, subtle graphics and chrome trim pieces add class to any room in your home.

CLASSIC 35	
Dimensions	60" x 37" x 27"
Cubic Feet	35
Weight	705 lbs.
Locking Bolts	9
Gun Capacity	40 Total (20/30 + 10)

CLASSIC 24	
Dimensions	60" x 30" x 22"
Cubic Feet	24
Weight	530 lbs.
Locking Bolts	9
Gun Capacity	25 Total (9/18 + 7)

# COMPACT SERIES

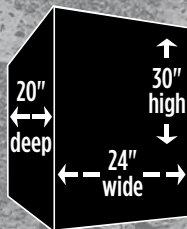

**BROWNING**  
PROSTEEL SAFES

COMPACT 9 Interior  
Color Shown: Charcoal Metallic

## COMPACT SERIES

Handguns, cash, documents, cameras, laptops and jewelry are the ideal contents for a Compact safe. Offering strength that rivals full-sized gun safes, the Compact is built from rugged 12-Gauge steel. 2" of fire insulation provides an honest 1200° F/105 minute fire rating. The door-mounted DPX panel adds additional space to maximize storage potential.

### COMPACT 9

Dimensions	30" x 24" x 20"
Cubic Feet	9
Weight	320 lbs.
Locking Bolts	4
Gun Capacity	N/A
